

eXplorer - PHP-based File Manager - Fehler #170

Multiple directory selectors in the upper menu

09/12/2014 11:17 AM - kaalis kaalis

Status: Neu	
Priority: Normal	
Assignee:	
Category:	
Target version:	
eXplorer Version: 2.1.4	Joomla! Version: none
Description Is it normal that they are getting more and more? I don't need more than one. explorer 2.1.5
