

eXtplorer - PHP-based File Manager - Fehler #131

Strict standards errors in PHP versions greater than 5.3.5

07/25/2013 03:49 AM - Randy Corbitt

Status:	Erledigt	
Priority:	Normal	
Assignee:	Sören Eberhardt-Biermann	
Category:	Bug	
Target version:	2.1.5	
eXtplorer Version:	2.1.2	Joomla! Version: none
Description		
Doesn't work on PHP versions greater than 5.3.5 and has strict standards errors in PHP versions greater than 5.3.5 for standalone version 2.1.3. Even tried the svn trunk version and is the same.
